

# Coaches from all of Michigan's highschoools are teaming up!

**This newly based soccer team is current looking for players like *you!***

Here at Northville, we are currently looking for any **9th-12th** graders who are interested in pursuing a future in soccer.

## How do you sign up?

At the Northville Cougars, anyone can sign up through our website. As our coach Todd Robinson once said, "It's ok if you are not good. As long as you get on the field at least once."
